A Note From the Pro

Happy New Year! 2012 is finally here and with it comes all the hope and promise a new year has to offer. It should be an exciting new year to say the least as we see continued improvements to be made around the course, clubhouse and facilities in an effort to make Pawleys Plantation truly be the best it can be. You can also look forward to a few twists, changes, and additions to the club's event calendar as we continue to strive to make the Pawleys Plantation event calendar better and better each season. The official calendar will go out at the Club's Annual Meeting, which will be held on Monday, February 20th. Please take the time to attend the meeting if you have the time. You will also see information coming out early February about the 2012 Men's Member-Guest tournament. We are anticipating the event to fill up quickly due to the success of the 2011 event, so go ahead and start looking for a strong playing partner, details will be released soon! Also there are plans to have more co-sanctioned interclub's and events with our other Myrtle Beach National sister courses which should offer a great way to play some really good courses and meet some new people in a fun, competitive environment. And as always the club's entertainment committee is hard at work coming up with great new ideas for Fiesta Fridays, dances, and other clubhouse events and activities.

Good-bye 2011 – you were a great year, but 2012 sure does look good! See you all at the golf course soon.

The deadline for turning in tournament surveys has been extended to the end of January. So far we have only had 16 surveys returned! This is your opportunity to give your input to the events we hold here at Pawleys Plantation – good, bad, or indifferent – all input is good input. Please take the time to fill out and return the “Tournament Survey” located near the end of this newsletter and return them by the end of January.

Thanks in advance for your responses!

Everyone had a great time at the Member Holiday Party.
