## Hole-In-One Report

It took him 62 years but **Warner Cole** finally got his first hole in one on May 3rd. It was during the weekly men's league competition and his playing partners were fellow members Tim Lee, Peter Aubrey and Marion Parsons. Warner achieved this feat on **hole #7** with his 9 iron from 124 yards. He attributes his latest accomplishment to his trusty brand of golf balls, Titleist ProV1's. Great job, Warner!
